PNGA Club Representative eNewsletter

June 16, 2014

Greetings!

Well, 2014 is off to a great start. I truly enjoyed our PNGA Annual Meeting at Columbia Edgewater Country Club in Portland, Ore. What a spectacular venue! It was wonderful to meet so many new PNGA Club Representatives, as well as see incredibly special familiar ones.

For those of you who missed the Annual Meeting, we have posted the packet that was distributed the day of the meeting on the PNGA website in the secure Club Representative section within the Volunteer tab. All Club Representatives have a unique username and password to access the Club Representative section.

The OGA Directors recently received their login information by mail, and all other Club Representatives received their information a while back. If you are unable to log in or are unable to remember your username and password, please contact Charissa Quiambao at charissa.quiambao@thepnga.org as she would love to assist you.

While in the secure Club Representative section, please take a look at the "Club Representative Directory" and if you notice your information has changed please let Charissa or myself know.

Have a wonderful day!

Shari

PNGA Website

The new website launched last year features a lot of great information, including a unique area within the *Volunteer* section designed specifically for PNGA Club Representatives.

The Club Representative area is a secure site, so if you have not received your username and password or if you have misplaced yours, please contact Charissa Quiambao at charissa.quiambao@thepnga.org.

The PNGA Staff

The PNGA has recently brought on two new staff members, Charissa Quiambao and Heather Wilson!

Charissa Quiambao is the new Administrative Assistant of Membership Services. Along with assisting the Membership department, Charissa will be fulfilling a number of administrative duties and will be the first friendly face you see when you visit the PNGA office.

Heather Wilson is the new Controller for the Association. She has a number of years of experience managing the finance departments for non-profit organizations as well as large corporations. She found out about the open position at the PNGA by chance, and we are fortunate to have her.

Heather is replacing Roxanne Bulliman who, after more than a decade on staff, retired on June 1. Roxanne had been the Association's director of finance since 2008. Roxanne will be hugely missed!!!!

PNGA Club Representative Directory

Within the PNGA Club Representative section on the PNGA website we offer a directory listing all of the PNGA Club Representatives. The directory is a great networking tool. The directory can be sorted by club, by first and last name, and also by zone. When looking for assistance with volunteers for an event at your club or marketing an event that is open to the public, consider going to the directory sorting by "zone" and sending an email to those Club Representatives in your area.
