## PNGA Club Representative Newsletter

Share the News - November 2015

### Greetings!

Thank you for all that you do! You are a very important part of the PNGA family. We appreciate you sharing with your members the benefits that are available to them through the PNGA. The [PNGA website](#) is a great avenue to learn firsthand the many opportunities available to golfers in our region, between our PNGA Championships, the Member Club Calendar, the Pacific Northwest Golfer magazine, and many other benefits.

If ever you have an opportunity to get in front of a group of your club members to share with them about the PNGA please don't hesitate to contact me as I would love to build you a "To Go" kit - full of informative collateral about the PNGA. Additionally, if there is particular content that you would like to read about in the next newsletter, please don't hesitate to drop me a line at 253-214-2925 or email me at [shari.jacobson@thepnga.org](mailto:shari.jacobson@thepnga.org)

Wishing you a fabulous fall season!

All the best,  
Shari

### Meet PNGA Club Representatives

#### Howie Smith

Hometown: Portland, OR

Club: Broadmoor Golf Club

OGA Director/Volunteer Since: 1967

"I never stop recruiting potential volunteers, hoping they'll realize the same satisfaction that I receive regularly as I serve the association. Being able to serve both the OGA and PNGA as a director is a privilege." - Howie Smith

The magazine is also available ONLINE! [Click here](#) to view the PNW Golfer August 2015 Issue!

## First Green Foundation Formalizes Expansion to Western Canada

First Green Foundation formalized its relationship with the Western Canada Turfgrass Association (WCTA), through a Memorandum of Understanding (MOU) signed August 24 after a successful train-the-trainer event held at the Redwoods Golf Course in Langley, BC.

The MOU comes after a more than a year of the two group's efforts introducing western Canadian golf course superintendents to this unique program that brings environmental education to students in grades 5 and up using golf courses as environmental learning labs. [Read more...](#)
