January 1, 2019

Dear PNGA Member Clubs:

In years past, the PNGA has published a comprehensive regional golf calendar that included Northwest golf association events and member club tournaments. This All-Access Calendar is now available exclusively on our website **www.thepnga.org**. You will find it located under the “Championships” tab.

Since this calendar is published on our website, we are able to provide links for any additional information you would like to share with potential participants (i.e. green fees, handicap limit, ladies’ or men’s event, “call golf shop for more information”, etc.) as well as a link to your website. To provide this link, please be sure to include your website address. It is important that you list your club and the events ***exactly*** as you wish for them to appear. To ensure your club events are listed on our website in a timely manner, I urge you to complete the enclosed form and return it to our office as soon as possible. Use additional pages if necessary. You may also **access this same form on our website** where it will be sent directly to me upon completion of filling it out: <http://thepnga.org/championship-home/all-access-tournament-calendar/>. (It is located under the Championships tab).

Please send only your major club events, such as Opens, Invitationals, Member-Guests and mixed events that are **open to outside contestants**. Do not include events such as Guest Days, Club Championships and Field Day competitions that are open to your members only.

This online calendar has been created as a benefit to our PNGA member clubs and is done so at no cost to you. This has proven to be very popular and a great resource to golfers who are looking to plan out their seasons or are looking for a specific event.

Please contact Torrin Westwood at the PNGA office, (253) 214-2919 if you have any questions.

Sincerely,

Torrin Westwood  
PNGA Coordinator, Membership & Club Relations
