

Local Rules and Terms of the Competition For 2023 PPGA Championships

The Rules of Golf as approved by the United States Golf Association and The R&A Rules Limited govern play. These Local Rules and Terms of the Competition are in effect at all PPGA Championships and qualifying rounds. See applicable championship or qualifying round Notice to Players and Entry Application for modifications or additions to these Local Rules and Terms of the Competition. Complete text of the Rules and Local Rules may be found in the Official Guide to the Rules of Golf, effective January 2023.

Unless otherwise noted, the penalty for breach of a Local Rule is the general penalty.

Local Rules

Out of Bounds — Defined by the line between the course-side points, at ground level, of white stakes and fence posts.

When a paved road or curb defines out of bounds, a ball that is on or beyond the road or curb is out of bounds even though it may lie on another part of the golf course.

Penalty Areas — When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out- of-bounds edge, the penalty area extends to and coincides with out of bounds.

Ground Under Repair — Defined by white lines. French drains are ground under repair.

Ground under repair may include areas of unusual damage, but only when so declared by an authorized member of the Committee. When immediately adjacent to an immovable obstruction, such an area is part of that obstruction.

Relief from Seams of Cut Turf — Model Local Rule F-7 as prescribed in Section 8 of the Committee Procedures is in effect.

White-Lined Areas Tying into Artificially-Surfaced Roads and Paths — White-lined areas of ground under repair and the artificially surfaced roads, paths or other identified obstructions that they are connected to are a single abnormal course condition when taking relief under Rule 16.1.

Integral Objects — Include objects when closely attached to tree and boundary objects, and artificial walls and pilings when located in penalty areas or in or adjacent to bunkers, and bunker liners.

An exposed bunker liner may be treated as ground under repair but interference does not exist if the liner interferes only with the player's stance.

Wood Chips and Mulch — Are loose impediments.

List of Conforming Driver Heads — Model Local Rule G-1 as prescribed in Section 8 of the Committee Procedures is in effect.

List of Conforming Golf Balls — Model Local Rules G-3 as prescribed in Section 8 of the Committee Procedures is in effect.

Missing Player or Marker Certification — Model Local Rule L-1 as prescribed in Section 8 of the Committee Procedures is in effect.

Prohibited use of Audio Equipment — Rule 4.3 is modified in this way: During a round, a player is not allowed to use an electronic device to listen to music or other audio (such as podcasts or the like), including by using headphones or earbuds. Penalty for breach of Local Rule - see Rule 4.3.

Stopping and Resuming Play — Model Local Rule J-1 as prescribed in Section 8 of the Committee Procedures is in effect.

All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to stop practicing; failure to stop practicing might result in disqualification.

An immediate suspension will be signaled by one prolonged airhorn note. All other types of suspension will be signaled by three consecutive airhorn notes. Resumption of play will be signaled by two short airhorn notes.

Practice — Prior to and after a round in stroke play, a player may practice on the designated practice areas. Rule 5.2b covering practice in stroke play is modified in this way: A player may not practice on the competition course before or between rounds. Penalty for breach of Local Rule, see Rule 5.2.

Pace of Play — See separate memorandum to players for pace of play policy, when applicable.

Motorized Transportation — Unless prohibited on the entry application, players are permitted to use motorized transportation for all championships. In cases where motorized transportation is prohibited, Model Local Rule G-6 as prescribed in Section 8 of the Committee Procedures is in effect.
