

2023-24 Program Overview

Sending caddies to college

Established in 1930 by the Western Golf Association and celebrated amateur golfer Charles "Chick" Evans Jr., the Evans Scholars Foundation awards full tuition and housing college scholarships to high-achieving caddies with limited financial means. We are the nation's largest scholarship program for caddies, working toward a goal of having 1,500 Scholars in school by 2030.

Evans Scholars come from 29 states and Canada. They attend one of 24 leading universities, living in a Scholarship House or university housing.

A life-changing mission

To fund the Evans Scholars Program, we count on the support of more than 36,000 Par Club donors — many of whom are Evans Scholars Alumni — and proceeds from our tournaments, including the BMW Championship, a PGA TOUR FedExCup Playoff event.
